

CONNECTING WORKFORCE DEVELOPMENT LOGIC MODEL (LAST UPDATED 11/22/2017)

Vision: Ensure youth and families/caregivers are full partners in all aspects of the planning and delivery of their own care/services.

Goal: Train, support and mentor youth and family/caregivers to be full partners in the planning and delivery of their care/services.

CONTEXT	ACTIVITIES	OUTPUTS	OUTCOMES
<p>Connecticut Families and Youth are not full partners in the decision-making process regarding the network of care and services available</p>	<p>Family & Youth Engagement/ Workforce Development</p> <p>Train & certify family trainers in NOC-AOT</p> <p>Build a trainer support network to provide ongoing support, updates & mentorship</p> <p>Develop curriculum & training materials including integration of best practice models (e.g., Youth Mental Health First Aid) into training offerings</p> <p>Train & mentor youth, young adults & family/caregivers to be full participants in the Network of Care</p> <p>Develop processes with FAVOR, Inc.
